

Bespoke *Caterers* _____ Hog / Spit Roast

The Hog Roast has become one of our most popular menus requested. Whether it is for the main meal of an outside wedding, the evening food option to a wedding, a summer party mixed with a BBQ or a tasty bap for clients at a corporate launch, we can guide you to what type of menu suits your event. We use locally reared pigs perfect for hog roasting with a good meat to fat ratio. Our Chef will raise the pig out of the hog roaster and display the pig in front of your guests then carve the meat into warming dishes (keeping the meat hot for several hours) and serve directly to your guests either in a locally made floured bap or crusty bread doorstep sandwich or plated as part of a more substantial buffet. Whole Lamb can also be spit roasted please inquire for a cost.
