"We'd like to take this opportunity to thank you for helping to make our daughters wedding reception such a memorable one. The guest – without exception said that the wedding meal was the best they had eaten and beautifully presented.

Everyone from Bespoke Caterers was very efficient, but also relaxed, friendly and helpful, which made it all the more impressive that you provided such a varied choice of menu. You really did provide bespoke catering."

Mr and Mrs S

"We cant thank you enough for catering for our wedding at Dove Barn on 25th July 2009. From start to finish you ensured that the day went smoothly and that the guests were happy and had everything that they wanted. The food was delicious and beautifully presented and the service was impeccable. Your staff did a fantastic job of looking after us and the guests. The guest had nothing but good things to say about the food – some said that the canapés and lamb were the best they had tasted! The drinks services after the ceremony, during the meal and at the free bar in the evening were excellent – we couldn't of asked for more."

Mr and Mrs G

"My Wife and I wish to thank you for all that you and your staff did to make our 'Diamond' celebration so memorable. We have already had many phone calls and letters congratulating us on the arrangements and quality of the food which, in my opinion, could not have been bettered.

The following extract from one of the letters received will, I am sure, give you cause for satisfaction:-
'It really did beat the meal we had with H.M. The Queen and other visiting dignitaries at the State Banquet at Windsor Castle.'

So, my own compliments to you and your staff."

Mr H, Frinton on Sea (Diamond Wedding Anniversary)

"My first social function since becoming a member of Frinton Golf Club was an excellent evening. I am used to the very high quality RAF dinner nights, which I attend on regular occasions; the Gentleman's dinner was of equally high standard."

Captain W, OBE RAF (Gentlemen's Dinner)

"We would like to take this opportunity to thank you as a company, and Glynn and Kerry individually for creating an absolutely fantastic evening for our celebration. The food surpassed anything we had imagined and the service was impeccable. We wish you every success and continue to 'spread the word'."

"Adam and I would like to say a huge thank you to you and your staff for the outstanding job that you did at our wedding.

The standard of food and its presentation were excellent, certainly far beyond any experiences we have ever had of food at outside catered events. Many of our guests have said that it was the best food they have had at a wedding.

All the staff were professional and friendly, and served the food and drinks quickly and efficiently, and with a smile. In short, you gave us excellent food and a truly professional service and we would have no hesitation in recommending you to others."

Mr C (Wedding)

"Very many thanks for your attention and service in connection with this event at Colchester Castle. We are very aware of the difficulties of catering at this venue in the absence of kitchen facilities and send congratulations for your achievements and the excellent food.

I have received several letters, containing warm sentiments from the guests who attended and would have no hesitation in recommending you to future prospective clients if the need arises."

Mr J Branch Chairman The Chartered Institute of Arbitrators (Annual Dinner)

"Thank you for the cheerful and efficient girls you provided at the house to service the provision of the food and tea & coffee. As you know this was a rather emotional gathering and I would like to express my appreciation of the total services you provided, at short notice, so efficiently and at such a reasonable price."
