We operate from a purpose built unit at Gorse Lane only 15 minutes from Colchester and 30 minutes from Ipswich. We are a Catering Partner at Colchester Town Hall, a beautiful historic wedding or function venue. Plus we have links with Colchester Castle, Dove Barn, Clacton Town Hall and many other hireable Venues around the whole of the Colchester Borough.

Past clients include The House of Commons, East Gro (Garden nurseries show), BMW/MINI, County Motors, The Woolwich, Weston Homes & Jaygate Homes, Rethink Health in Mind, The Round Table, East Essex Rotarians, Tendring District and Colchester Borough Councils, Frinton's Annual Cricket Week, Clacton Air Show VIPs, The Coastguards, The RNLI and many more.

Whether it is a once in a lifetime wedding, a business lunch or a surprise birthday buffet, our ethos is based on exactly what our name implies "made precisely to the customers own requirements".

We enjoy striving to create the food and an experience that will match how our customers have imagined their event. Not only do we intend to take away the stress of running your event we aim to ensure we compliment and enhance the experience. We are happy to arrange face –to-face meetings at your home or our unit. We can also organise tasting sessions to help you make your choices.

Inside our brochure we have included the various menus you may have asked for plus any extra menus we feel may also be of help. Each section has attached suggested set menus, if however you wish to create your own bespoke menu by choosing from the lists of dishes provided please feel free. We realise in today's current climate your budget can be key, so we will assist and recommend menus to suit your budget and of course any taste. Whether it be a trio of beautiful locally-made sausages on a creamy mash with onion gravy, or a lavish and rich Dedham Vale Beef Wellington.
