If you have an event with a theme then let us know we will be happy to design a menu which relates to it. We have previously done jobs for companies such as BMW/Mini, Weston Homes, LEA (Private Jet Hire) and the RNLI. Themes we have covered include: World War 2, 60's and 80's themed parties, food from around the world and aircraft related dishes e.g. Red Arrows Chicken

## DRINKS & BAR SERVICE

We can also provide a totally relaxing function by running your drinks service for you, we can supply experienced bar staff to run whatever type of drinks service you wish, be it a champagne or sparkling wine evening, a manned cocktail bar with a selection of your favourite cocktails, or a full bar service (free or cash).

We can supply several different bar scenarios and all the glassware you require.

Plus there is the option for us to serve your drink for you, again we can supply staff, glassware and bars at a very reasonable cost. A drinks handling charge may also be incurred.

*All prices are excluding V.A.T.*

*Included are all Cutlery and Crockery and small equipment costs required to cook your chosen menu.*

*Extra costs will be incurred for staff to serve and cook your chosen menu.*

*Costs that maybe incurred are travel, drinks handling or heavy equipment hire if they are required.*
